Step 1: Registration

1. **Create an Account**:
   - Visit the official Karnataka Transport Department website.
   - Click on the 'Driving School Registration' link.
   - Fill in the necessary details to create an account, including name, email, and mobile number.
   - Verify your account through the email verification link sent to your registered email address.
2. **Login**:
   - Use your registered email and password to log in to the portal.

Step 2: Application Submission

1. Fill Application Form:
   - Select the 'New Driving School Registration' option.
   - Fill in the detailed application form with the following details:

- Name of the driving school
- Address and contact information
- Details of the proprietor or partner
- Information about the available vehicles and instructors

2. Upload Documents:

- Upload the required documents in the specified format:
  - Proof of identity and address of the proprietor/partners
  - Proof of ownership or lease agreement of the premises
  - List of vehicles with registration certificates
  - Instructor qualifications and certifications
  - No Objection Certificate (NOC) from the local authority

3. Fee Payment:

- Pay the application fee through the online payment gateway. Ensure you keep the receipt for future reference.

Step 3: Inspection and Verification

1. Schedule Inspection:
   - After the application submission, schedule a date for inspection by the Transport Department officials.
2. Inspection by Authorities:
   - Officials will visit the premises to inspect the infrastructure, vehicles, and instructor credentials.
   - Ensure compliance with all safety and operational guidelines as per the Karnataka Transport Department regulations.

Step 4: Approval and License Issuance

1. Review and Approval:
   - After a successful inspection, the application will be reviewed by the Transport Department.
   - You will receive notifications about the status of your application through email and SMS.
2. License Issuance:
   - Upon approval, download the driving school license from the portal.
   - Display the license prominently at the driving school premises.

Step 5: Commencement of Operations

1. Operational Setup:
    - Set up the driving school as per the approved plan.
    - Ensure all vehicles are maintained in good condition and instructors are well-trained.
2. Marketing and Enrolment:
    - Promote your driving school to attract students.
    - Ensure transparent and ethical practices in enrollment and training processes.

Step 6: Regular Compliance

1. Periodic Renewals:Keep track of the license renewal dates and renew the license on time through the online portal.
    - Compliance with Regulations:Stay updated with any changes in the regulations and ensure continuous compliance.
    - Attend periodic audits and inspections as required by the Transport Department
