In Karnataka, there are several vehicle-related services available. The Ministry of Road Transport & Highways, Government of India, provides various online services through the Parivahan Sewa portal. Here, you can access vehicle-related services such as registration, permits, fitness, and more.
Additionally, the Transport Department of Karnataka offers services through the Karnataka One platform. You can visit any Karnataka One center across the state to access the following services:

1. Issuance of RC-Extract for Vehicle: You can obtain vehicle owner's information about registered transport vehicles by providing the registration number. The service charges Rs. 18/- per copy.
2. Issuance of DL-Extract: You can get driving license information by providing the registration number. The service charges Rs. 18/- per copy.

For more information and detailed procedures, you can visit the official RTO Karnataka website at www.rto.kar.nic.in.
Please note that these services do not collect personal information for any purpose other than to respond to you and facilitate the requested transactions. They do not use cookies or create individual profiles for commercial marketing. The collected information is used for analytical purposes and to improve the user experience.
